

It's Time to Earn Your Wings, Cetronia...

Once again, we are teaming up with the Morning Call and the "Be an Angel Campaign" to collect items for Homemaker-Health Aide Services. This local agency serves and provides personal care to 120 elderly clients. Many of them have no family, so the agency would like to provide a small gift bag to each client for the holidays. Each year, we've collected enough items so that every person got a small bag of personal-care products. We received many thank you notes from the people that received our care packages. The agency is thrilled that we are helping again this year.

We are collecting the following items:

- Shampoo
- Lotion
- Body powder
- Deodorant
- Toothpaste and toothbrushes
- Small packages of wet wipes
- Liquid soap
- Non-perishable snack foods, such as packets of peanut butter crackers or pretzels
- Packages of sugar-free & regular hard candies
- Medium-sized gift bags (new or used) & tissue paper

Please send in items to school by **Friday, Dec 16th.**
Thank you in advance for helping to make a difference!
