

August 12, 2011

Greetings Kindergarten Parents and Kindergarten Students,

We are very excited to host kindergarten orientation for you and your new Cetronia hedgehog on **Wednesday, August 31 from 9:15 to 10:45 AM**, and welcome you to our school family. This will be a wonderful opportunity for you to meet your kindergarten teacher, visit the classroom, see your classmates, learn answers to frequently asked questions, and take a real school bus ride. Upon entering Cetronia, it is our hope that you will observe the sense of school pride and leave feeling comfortable, knowing your son or daughter is in a safe and caring environment. Our entire staff always looks forward to meeting our new students.

It is probably hard to believe your son or daughter is going to school. This is one of the most important years of your child's academic career and is a time when attitudes toward school are formed. Since kindergarten helps build a foundation for learning, we can build a strong one by working together toward the same goals for the benefit of your child.

Once again, we look forward to seeing you and your kindergarten student on **August 31 from 9:15 to 10:45 AM**. As teachers, parents, and students, we will begin our journey to success together.

With Hedgehog Pride,

James P. Giaquinto  
Principal
