Principal

Dear Parents,

September 6, 2011

You are cordially invited to the **2011 Cetronia Elementary School Open House on Wednesday, September 14, 2011, from 7:00 PM to 8:30 PM.** Our staff is dedicated to the belief that each child will be provided with opportunities to reach their full academic and social potential. In support of this belief, our staff is committed to do the following:

- Have high expectations for all of our learners and be aware of their individual needs
- Provide motivation for the learning process and arrange opportunities for all learners to be successful
- Provide a caring and positive class atmosphere for all students

As a parent, you are a key member of that team, and we rely on your support in the learning process in order for your child to excel. We appreciate the dedication of our parents to do the following:

- Have high expectations, both behaviorally and academically, for your child
- Promote your child to be positive in his or her learning
- Provide a quiet place for your child to study and encourage your child to complete his/her homework
- Make sure your child gets an adequate night's sleep and arrives at school on time every day

In order to allow our classroom teachers to share important information with you, we will conduct two twenty-five minute classroom overview sessions during the evening. In order to prevent crowded conditions, AM kindergarten parents are asked to visit during Session 1 and PM kindergarten parents visit Session 2. The schedule for the evening is as follows:

7:05-7:15	Welcome/Introduction (televised in the homeroom)
7:15-7:40	Classroom Overview Session 1
7:40-7:50	Transition
7:50-8:15	Classroom Overview Session 2

Parking for parents will be available on the upper field on the east side of the school. Cars may enter at the ONE WAY driveway on the far eastside of the school to gain access to the field. School security will be present to direct traffic. If possible, in order to have Open House as meaningful as possible, we kindly request that preschool aged or younger children remain at home but recognize this may not always be feasible.

During the evening, remember to stop by the school gymnasium to schedule your parent teacher conference(s), which will be held from November 17-23. Bring your appointment calendar. Also, the Parents Association of Cetronia (PAC) will have a table in the school's gymnasium if you would like to learn more about their role at the school.

On behalf of the Cetronia Elementary School Staff, we look forward to meeting you and your family at our Open House on Wednesday, September 14 at 7:00 PM.

With Hedgehog Pride,
James P. Giaquinto
Principal
