October 2011

Dear Parents,

The elementary parent visitation day is a Parkland tradition that gives parents and guardians an opportunity to spend time in school with their children and observe the instructional program on a typical school day.

**This year's visitation days will be held on Wednesday, October 12 from 9:15 to 11:15 AM and Thursday, October 13 from 1:15-3:15 PM.** Parents can arrive and leave at their discretion during these time periods. Enter the school building in the back of the building at the Administration entrance. When parking around the school and neighborhood streets, please respect the lawns of the surrounding community and refrain from parking on them.

Parents are asked to sign-in as they enter and take a nametag to wear during their visit. In an effort to minimize disruptions to learning and to address security concerns, please respect the following to ensure that these visitations are safe for everyone.

- Confidentiality is extremely important. The privacy of all students in the classroom must be respected. Visitors should avoid discussing the behaviors or abilities of students they have observed in the classroom.
- Cell phones should be turned off. In the event you cannot miss phone calls, please set your phone to vibrate.
- Photography, still or video, is not permitted.
- We kindly request that preschool aged or younger children remain at home but recognize this may not always be possible.
- Please do not attempt to discuss your child's progress with the teacher. Visitation Day is not an appropriate time for a conference.
- Visitors should observe only in the classrooms where they have children enrolled.

I am very proud of the work our faculty and staff does with your children and welcome all parents to have the opportunity to observe this work first hand. We hope to see you during our parent visitation on Wednesday, October 12 from 9:15-11:15 AM and Thursday, October 13 from 1:15-3:15 PM.

With Hedgehog Pride,

James P. Giaquinto
