# Learn All About Cub Scouts!

## What is Cub Scouting?

Cub Scouting is learning by discovery and discovery by doing. It's fun, friends, and families ... where skills are learned, confidence built, and stories born. A Cub Scout who knows the buddy system learns to trust and be trusted. A Cub Scout who hikes and camps learns to appreciate the outdoors and take care of it. And a Cub Scout who's part of a Den and Pack has a genuine sense of belonging. This is Scouting! Learn more and join Cub Scouts today at [www.minsitrails.com](http://www.minsitrails.com).
