

THINK. BIG.

CAMP LCTI

Campers attend **four** different career programs each session, allowing them to experience a whole host of careers—and have fun doing it.

Session One: June 28 - July
Session Two: July 6 - 9

 **LCTI**
Lehigh
Career & Technical
Institute

Thinking big is what happens when kids have the freedom to explore their dreams—to think about their future and what *gets them going*.

Our unique summer career camp features more than 30 different programs.

From culinary arts to computer maintenance; interior design to digital photography, we've got something for every young adventurer in 5th - 8th grade.

LCTI • 4500 Education Park Drive • Schnecksville, PA 18078
