

3rd Annual Cleveland's Day Out

Our 2nd grade pen pals are coming to spend the day! Second grade has been writing to pen pals from Cleveland Elementary School in Allentown all year. On Tuesday June 8th, they are coming to visit us. They will go on a Blake Space Shuttle Mission and then we'll all have a pizza party in the courtyard and have recess outside, weather permitting. We are asking for a small donation to cover the cost of pizza and juice for the kids. (Any extra will go towards Rita's for dessert.) Also, if you can spare an hour (or more) between 11 and 1, please indicate so below and we'll get back to you on exact times as the date approaches. The Community Outreach Committee pays for the bus to bring the kids over and back.

_____ I can be at school between 11 and 1 (exact times TBD) on June 8th.
