

# DA VINCI SCIENCE CENTER SUMMER 2010 CAMPS

## Weekly Day Camps June 21-Aug. 27

The Center's Science Camps offer a wider variety of exciting programs than ever before!

Campers entering kindergarten in the fall of 2010 may enroll in an afternoon session on selected weeks. Campers entering grades 1-7 may be enrolled in a morning session, an afternoon session, or both. **All campers should bring their love of science and FUN!**

### Morning Sessions

Morning Sessions are available weekdays from 9 a.m.-12 p.m. for campers entering grades 1-2, 3-4, and 5-7.

Morning Session campers must bring a morning snack and a beverage.

### Sessions for Children Entering Kindergarten

Sessions for children entering kindergarten are available on selected weekdays from 1-4 p.m. **Campers must bring a snack and a beverage.**

### Afternoon Sessions

Afternoon Explorers sessions for grades 1-4 and Afternoon Investigators sessions for grades 5-7 are available weekdays from 1-5 p.m. Afternoon sessions are informal experiences during which campers experiment with Da Vinci Science Center scientists. **Afternoon Session campers must bring an afternoon snack, a beverage, and sneakers.**

Campers attending both a morning and an afternoon session must bring a morning snack and beverage, a lunch to eat from 12-1 p.m., an afternoon snack and beverage, and sneakers.

### Weekly Activities - Afternoon Explorers and Afternoon Investigators

Creating science t-shirts:

Monday afternoons.

Swimming at Rodale Aquatic Center:

Thursday afternoons.

Environmental activities:

One afternoon per week.

Guest presenters: As available.

Exhibit floor explorations.

Visit [www.davinci-center.org](http://www.davinci-center.org) for more information about afternoon sessions.
