

# **PARKLAND SUMMER LIBRARY**

## **Incoming Kindergarten Students**

The Parkland School District happily invites you to join us for Summer Library! This summer we are excited to open several of our Media Centers to our elementary students. All Parkland students entering kindergarten through sixth grade are encouraged to participate in the Summer Library program. Students and guardians are welcome to enter the library to select books on the dates and times listed below. Please take note of which building is hosting your home school.

Are you up for the challenge? Every student attending Summer Library will receive a Summer Reading Challenge board. Students will receive a ticket for every challenge (space) they complete. Students will then use these tickets to enter drawings for a chance to win a grand prize. In addition, students will receive exciting incentives each week they attend Summer Library.

Please be sure to fill out a Summer Library permission form on your first day of Summer Library. These forms will be in your host school's library at the start of the program.

We hope your child will be able to join us this summer! If you have any questions, please contact your student's media specialist or Adrienne Kashner at 610-351-5547.

Sincerely,

*Adrienne Kashner*
