## TO THE PARENTS:

It seems in today's sports programs, students have to dedicate themselves to all year round training programs just to make a team. Most students have too many other academic activities that they are involved in to sacrifice so much time for an athletic sport. Some kids just need a break from the stress of training. Many of these students would love to be able to participate in other activities but they just do not have the time. Just4Fun Camp is an excellent opportunity for these students to just have fun and play all day. At Just4Fun Camp there are no cuts, no elite teams and everybody gets a chance to participate in a fun, yet competitive atmosphere.

## F.Y.I.

Camp will be held at the Springhouse Middle School grounds and indoor facilities. In the event of rain, we will use the two gym areas. Students will be placed in groups by age and ability.
